

Work-Based Learning Experiences For Visually Impaired Teens

YOU can impact the life of a teenager by providing the opportunity to learn valuable job skills

Lighthouse Work-based Learning Experience Overview!

The Lighthouse is seeking businesses to provide work experience to high school students interested in various career fields. This program is a great way for high school students to gain work experience in a safe environment.

Features of the Program:

- Gain leadership and teamwork skills
- Teens can work up to 80 hours and are provided a stipend
- Lighthouse to provide transportation to and from workplace
- Job coach will be provided, if needed
- Performance evaluation, completed by employer, is due at the completion of the experience
- Occurs during the month **July**

THE TEENS ARE WAITING FOR YOU!
