Lighthouse Vision Loss Education Center in Sarasota, Florida is seeking a full time Vision Rehabilitation Instructor.

Founded in 1985, the Lighthouse Vision Loss Education Center is dedicated to providing quality vision rehabilitation services for the blind and visually impaired community in a five-county region. The Vision Rehabilitation Instructor will work with certified staff members that possess a team mentality and are always open to change. The Vision Rehabilitation Instructor is responsible for the planning and delivery of instruction for blind and visually impaired clients in Independent Living skills. Duties include but are not limited to:

- Conduct a pre-assessment of each client's needs for independent living skills training.
- Serve clients’ needs for independent living skills training through the Adjustment to Vision Loss course whenever possible, supplementing this if necessary with a written individualized instruction plan with clear goals established in conjunction with the client.
- Conduct home visits if needed to assess, label appliances, teach home management techniques and provide low vision instruction one-on-one.
- Teach the Adjustment to Vision Loss course which includes group instruction in all areas of daily living such as personal management skills, home management skills and communication skills.
- Plan and update AVL course curriculum as needed along with familiarizing and enabling clients to use low vision devices.
- Schedule guest speaker presentations and coordinate outings for the AVL course, including arranging transportation.
- Introduce clients to community services and resources that are available in their community.
- Evaluate client progress and make recommendations for further training if appropriate.
- Conduct client post-assessments to determine effectiveness of the program.
- Complete and enter into the database all reports and statistical information required by Lighthouse and funding sources such as DBS to document client progress including evaluations, goals, daily and monthly progress, prior to established deadlines.

The Lighthouse has been a staple in the Sarasota community for over 35 years and has helped countless people with visual impairments find courage, community and independence. Join us! All Lighthouse employees are subject to pre-employment background checks, and eligibility to work will be verified through E-Verify. Lighthouse Vision Loss Education Center is an equal opportunity and E-Verify employer with a drug-free workplace.
